

If you have clients who take charitable giving personally, they should know about us.

The Nevada Community Foundation helps people stay involved in the good works their gifts make possible.

A special fund.

When your clients make a gift of cash, appreciated stock, or other assets to the Nevada Community Foundation, we can establish a Donor Advised Fund in their name. They receive immediate tax benefits in the year their gift is made.

A personal connection.

Your clients can work with our professional staff to suggest ongoing uses for their gift—targeting the issues they care about most. Grant awards are issued to charities in the name of their fund (or anonymously, if they prefer). It's a simple, powerful, and highly personal approach to giving.

There is so much more we'd like you to know.
