

How can I
recommend
charity without
recommending
a *charity*?

Talk to your clients
about giving through
the Nevada Community
Foundation.

It's a delicate dilemma.

Estate planners, financial planners, and other professional advisors are often faced with a delicate dilemma: You want to discuss the many benefits of charitable giving with your clients, but you want to avoid recommending specific charitable causes or organizations.

Fortunately, there's a simple solution.

It's the Nevada Community Foundation. The Nevada Community Foundation is a single, trusted vehicle your clients can use to address the issues they care about most, while gaining maximum tax benefit under state and federal law. We offer a variety of giving options—including the ability to set up a charitable fund in your client's name. It's just one way we can help you help your clients achieve their charitable goals.

There is so much more we'd like you to know.
