

Is giving through  
the Nevada  
Community  
Foundation  
right for your  
clients?

## Seven questions for estate and financial advisors.

1. Do I have clients who care deeply about their local community or about philanthropy in general?
2. Do they give to more than one charitable cause?
3. Are they considering the creation of a private foundation, but concerned about cost and administrative complexity?
4. Are they interested in creating a personal or family legacy in their community?
5. Would they like to stay personally involved in the use of their gift dollars?
6. Do they want to receive maximum tax benefit for their charitable contributions under federal law?
7. Do they place a premium on sound fiduciary management of their contributions?

If you answered yes to any of these questions, your clients would benefit from knowing more about the Nevada Community Foundation. We'd be happy to help you make an introduction.
