Benefits

The Financial Advisor Program is a win-win for everyone involved, creating a significant and positive impact for your clients' charitable causes.

Financial Advisors can:

- Retain their clients' charitable assets at their financial institution and continue to manage their clients' charitable giving vehicles.
- Convert non-managed client assets, such as real estate, closely-held interests, businesses, personal property and art into charitable dollars that the advisor will manage.
- Offer clients a value-added service by connecting them to the best charitable giving product on the market.
